

SAOG 2019

Science of Surfaces, Interfaces and Nanostructures

35th SAOG Meeting

Thursday, January 31st, 2019

Venue:

Haute école d'ingénierie
et d'architecture

Bd de Pérolles 80
CH-1700 Fribourg

www.saog-gssi.ch

CALL FOR PAPERS

Authors are invited to submit an abstract for an oral or a poster presentation via e-mail to karl-heinz.ernst@empa.ch.

Deadline is Monday, December 10th, 2018

Contributions from all fields of interface and surface science and nanotechnology are welcome.

Abstracts must be formatted according to the SAOG template.

Visit www.saog-gssi.ch for further details.

Authors will be informed about acceptance of their paper on January 3rd, 2019.

EXHIBITION

An exhibition presenting new instrumental developments and analytical services will take place in the entrance hall.

Please contact Dr. Paul Muralt, EPFL Materials Science Institute, SCI-STI-PM, CH-1015 Lausanne, FAX: 021-693 58 10, paul.muralt@epfl.ch

CHARMEY POSTER PRIZE

The best poster presentations will be awarded with the Charmey Poster Prize, endowed with 500 CHF.

ORGANIZING COMMITTEE

K.-H. Ernst, President of SAOG, Empa, Dübendorf

P. Brodard, HEIA, Fribourg

T. Bürgi, UNIGE, Genève

P. Gröning, Empa, Dübendorf

H.-P. Haerri, METAS, Bern

E. Meyer, Universität Basel

P. Muralt, EPFL, Lausanne

G. Patzke, Universität Zurich

N.D. Spencer, ETH Zurich

H. Wolf, IBM Rüschlikon

Invited Speakers

Ben Feringa

Nobel Laureate Chemistry 2016

U Groningen, NL

The Art of Building Small:

From Molecular Switches to Motors

Katrin Domke

MPI Mainz, D

Unravelling Nanoscale Chemistry at Solid/Liquid Interfaces with EC-TERS

Armin Knoll

IBM Zurich, Rüschlikon, CH

Nanofluidic Rocking Brownian Motors

Giovanni Dietler

EPF Lausanne, CH

Local Probe Microscopy for Biological Applications
